**Subject:** UPDATE #1 - BP Oil Spill - Whiting, Indiana

USEPA (OSC Beslow), USCG and IDEM met with BP at the facility last night. The material is contained, the release into the lake Michigan has stopped and the 24 hrs cleanup activities were initiated by the responsible party.

USEPA will continue the oversight of the cleanup activities.

Additional updates will be submitted later. For more information see NRC report number 1077610.
